Inspections provide details about the condition of the property to help you make a more informed decision.

Before you commit to a purchasing a home, you have the opportunity to inspect and evaluate the condition of the property. We can recommend home inspectors or you may choose one (inspections fees may vary depending on size of property). A home inspection will detail the condition of the property so you are more confident in moving forward with your purchase. Most home inspectors provide a detailed report with photos and may indicate any health or safety issues or code violations.
